TERMS AND CONDITIONS FOR MERCHANT AGREEMENT

1. **Merchant's Acceptance of Payment Instruments.**

1.1 Exclusivity. You will tender to us Transaction Data generated from all your Transactions via electronic data transmission according to our formats and procedures. You will not use the services of any bank, corporation, entity, or person other than FDMS for authorization or processing of Transaction Data throughout the term of this Agreement.

1.2 Certain Payment Acceptance Policies. Each Payment Transaction and Conveyed Transaction must be evidenced by a single Transaction Data record completed with (i) the transaction date; (ii) a brief description of the goods or services sold, returned, or canceled; (iii) the price of the goods or services, including applicable taxes, or amount of any credit or adjustment; (iv) the Customer name; (v) your name in a manner recognizable to Customers; (vi) your address; (vii) a customer service telephone number; (viii) any applicable terms and conditions; (ix) the exact date any free trials end; and (x) any other information that the applicable Payment Brand may require. You shall not impose any surcharge or finance charge on a Payment Transaction or Conveyed Transaction or otherwise require the Customer to pay any fees payable by you under this Agreement if prohibited by the applicable Payment Brand. You shall not engage in any practice that unfavorably discriminates against or provides unequal treatment of the use of any Payment Brand over any other Payment Brand. You shall not set a dollar amount above or below which you refuse to honor otherwise valid Payment Instruments in violation of Payment Brand Rules. With respect to any Payment Transaction or Conveyed Transaction for which the Payment Instrument being used is not physically presented, such as in any on-line, mail, telephone, or pre-authorized transaction, you must (i) have notified us on your application or otherwise in writing of your intention to conduct such transactions and secured our agreement to accept them; and (ii) have reasonable procedures in place to ensure that each Transaction is made to a purchaser who actually is the Customer. Notwithstanding the foregoing, you acknowledge that under certain Payment Brand Rules, you cannot rebut a Chargeback where the Customer disputes making the purchase without an electronic record (for example, "swiping" or "tapping" a Payment Instrument) or physical imprint of the Payment Instrument.

1.3 Operating Guide; Payment Brand Rules. You agree to comply with the operating guide attached to this Agreement, as amended from time to time ("Operating Guide"), all Payment Brand Rules, and such other procedures as we may from time to time prescribe for the creation or transmission of Transaction Data. We may modify and supplement the Operating Guide in order to comply with requirements imposed by the Payment Brand Rules. You acknowledge that you have received a copy of the Operating Guide at or prior to your execution of this Agreement and that you can also view the Operating Guide on-line at the FDMS website. To the extent that the Operating Guide is inconsistent with the Payment Brand Rules, the Payment Brand Rules shall prevail.

1.4 Requirements for Certain Transactions. As to all Payment Transactions and Conveyed Transactions you tender to us for processing, you represent and warrant that:

- 1) The Payment Transaction represents payment or refund of payment for the bona fide sale or lease of the goods, services, or both, that you have provided in the ordinary course of your business, and the Payment Transaction is not submitted on behalf of a third party.
- 2) The Payment Transaction represents an obligation of the Customer for the amount of the Payment Transaction.
- 3) The Payment Transaction does not involve any element of credit for payment of a previously dishonored Payment Instrument or for any other purpose except payment for a current transaction, and, except in the case of approved installment or pre-payment plans, the goods have been shipped or services actually rendered to the Customer.
- 4) The Payment Transaction is free from any alteration not authorized by the Customer.
- 5) The amount charged to the Customer that is represented in the Payment Transaction is not subject to any dispute, setoff, or counterclaim.
- 6) Neither you nor your employee has advanced any cash to the Customer (except as authorized by the Payment Brand Rules) or to yourself or to any of your representatives, agents, or employees in connection with the Payment Transaction, nor have you accepted payment for effecting credits to a Customer.
- 7) The goods or services related to each Payment Transaction are your sole property and you are free to sell them.
- 8) You have made no representations or agreements for the issuance of refunds except as it states in your return/cancellation policy, which has been previously submitted to us in writing as provided in Section 3.
- 9) Any credit transaction submitted to us represents a refund or adjustment to a Payment Transaction previously submitted to FDMS.
- 10) You have no knowledge or notice of information that would lead you to believe that the enforceability or collectibility of the subject Payment Transaction is in any manner impaired. The Payment Transaction is in compliance with all applicable laws, ordinances, and regulations. You have originated the Payment Transaction in compliance with this Agreement and the applicable Payment Brand Rules.
- 11) For a Payment Transaction where the Customer pays in installments or on a deferred payment plan, a Transaction Data record has been prepared separately for each installment transaction or deferred payment on the date(s) the Customer agreed to be charged. All installments and deferred payments, whether or not they have been submitted to us for processing, shall be deemed to be a part of the original Payment Transaction.
- 12) You have not submitted any Payment Transaction that you know or should have known to be either fraudulent or not authorized by the Customer or otherwise in violation of any provision of this Agreement or Payment Brand Rules.

2. **Authorizations.**

2.1 Obtaining Authorizations. You are required to obtain authorization/approval codes through FDMS, in accordance with this Agreement, for all Payment Transactions. You acknowledge that the authorization/approval code of a Payment Transaction indicates **only** (i) that the Payment Instrument contains a valid account number; and (ii) that sufficient balance is available for the Payment Transaction at the time the authorization is given, but it does not constitute a representation from us, a Payment Brand or a card issuing bank that a particular Payment Transaction is in fact a valid or undisputed transaction entered into by the actual Customer.

2.2 Lack of Authorization. We reserve the right to refuse to process any Transaction Data presented by you (i) if you do not record a proper authorization/approval code, (ii) if we determine that the Transaction Data is or will become uncollectible from the Customer to which the transaction would otherwise be charged, or (iii) if we determine that the Transaction Data was prepared in violation of any provision of this Agreement or the Payment Brand Rules.

3. **Refunds and Adjustments.**

3.1 Disclosure of Refund Policy. You are required to maintain a fair policy with regard to the return/cancellation of merchandise or services and adjustment of Transactions. You are required to disclose your return/cancellation policy to us on your application. Your return/cancellation policy must be disclosed to your customers.

3.2 Changes to Policy. Any change in your return/cancellation policy must be submitted in writing to us not less than 14 days prior to the effective date of such change. We reserve the right to refuse to process any Transaction Data made subject to a revised return/cancellation policy of which we have not been notified in advance.

3.3 Procedure for Refunds/Adjustments. If you allow a price adjustment, return of merchandise, or cancellation of services in connection with a Payment Transaction, you will prepare and deliver to us Transaction Data reflecting such refund or adjustment within 3 days of receiving the Customer's request for such refund/adjustment. The amount of the refund/adjustment cannot exceed the amount shown as the total on the original Transaction Data except by the exact amount required to reimburse the Customer for postage that the Customer paid to return merchandise. You are not allowed to accept cash or any other payment or consideration from a Customer in return for preparing a refund to be deposited to the Customer's account; nor may you give cash refunds to a Customer in connection with a Payment Transaction, unless required by law.

4. Settlement.

4.1 Submission of Transaction Data. You must transmit your Transaction Data to us no later than the business day immediately following the day that such Transaction Data is originated. Failure to do so can result in higher interchange fees and other costs and increased Chargebacks. For debit card transactions that are credits to a Customer's account, you agree to transmit such Transactions to us within 24 hours of receiving the authorization for such credit. Unless otherwise indicated on Schedule A, you will be solely responsible for all communication expenses required to facilitate the transmission of all Transaction Data to us.

4.2 Merchant's Settlement Account. In order to receive funds from FDMS, you must maintain an account at a bank that is a member of the Automated Clearing House ("ACH") system or the Federal Reserve wire system ("Settlement Account"). During the term of the Agreement, and thereafter until we notify you that all monies due from you under this Agreement have been paid in full, you agree not to close your Settlement Account without giving us at least 5 days' prior written notice and substituting another Settlement Account. You are solely liable for all fees, costs, and expenses associated with your Settlement Account and for all overdrafts. You authorize FDMS to initiate electronic credit and debit entries and adjustments to your Settlement Account at any time without regard to the source of any monies in the Settlement Account. This authority will remain in full force and effect until we notify you that all monies due from you under this Agreement have been paid in full. We will not be liable for any of your losses or expenses whatsoever resulting from delays in receipt of funds or errors in Settlement Account entries caused by third parties, including, without limitation, delays or errors by either the Payment Brands or your bank.

4.3 Conveyed Transactions. To the extent that you submit any Conveyed Transaction for processing by FDMS and you do not have a valid agreement in effect with the applicable Payment Brand, you hereby authorize us, at our option, to submit such transaction to the applicable Payment Brand, and to share with the Payment Brand such information from your Merchant Application as may be required by the Payment Brand in order to approve your acceptance of its Payment Instrument as a method(s) of payment. Subject to such approval you agree to the applicable Payment Brand's standard terms and conditions with respect to your acceptance of its method(s) of payment. Upon your transmission of such Conveyed Transaction to us, we will forward the Conveyed Transaction to the appropriate Payment Brand. Payment of the proceeds due you will be governed by whatever agreement you have with that Payment Brand, and we do not bear any responsibility for their performance. If your agreement with a Payment Brand requires such Payment Brand's consent for us to perform the services contemplated by our Agreement, you are responsible for obtaining that consent.

4.4 Transfer of Settlement Funds. For all Payment Transactions, we will process your Transaction Data to facilitate the funds transfer between the various Payment Brands and you for Payment Transactions. Promptly after we receive credit for such Transaction Data, we will provide provisional credit to your Settlement Account for the proceeds. The proceeds payable to you shall be equal to the amounts received by us in connection with your Transaction Data minus the sum of the following: (i) all fees imposed by us or any third parties passed through to you, charges, and discounts set forth in Schedule A; (ii) all adjustments and Chargebacks; (iii) all equipment charges (if any); (iv) all Customer refunds, returns, and adjustments; (v) all Reserve Account amounts; and (vi) any fees, charges, fines, assessments, penalties, or other liabilities that may be imposed on us or the Member, from time to time, by the Payment Brands and all related costs and expenses incurred by us. You agree that all amounts set forth above, and any other amounts are due and payable by you at the time the related services are rendered to you; that all Reserve Account amounts are due and payable by you upon establishment; and that the related Chargebacks, Customer refunds, and adjustments, fees, charges, fines, assessments, penalties, and all other liabilities are due and payable by you when we receive notice thereof from the Payment Brands or otherwise pursuant to Section 4. In the event we do not deduct such amounts from the proceeds payable to you, you agree to pay all such amounts to us. Alternatively, at our option, we may debit the Settlement Account for such amounts. Without limiting the foregoing or our rights under Section 7.2 or Section 10, if a Payment Brand notifies us or the Member that it intends to impose any fine or penalty as a result of excessive Chargebacks or your acts or omissions (including, without limitation, your failure to fully comply with any Payment Brand Rules), we may suspend the processing of your Payment Transactions.

4.5 Negative Amounts. To the extent the proceeds from Payment Transactions do not represent sufficient credits or the Settlement Account does not have a sufficient balance to pay amounts due or reasonably anticipated to become due under this Agreement, we may pursue one or more of the following options: (i) demand and receive immediate payment for such amounts; (ii) debit your Settlement Account for the amount of the negative balance; (iii) withhold your settlement payments until all amounts are paid; (iv) delay presentation of your refunds until you make a payment to us of a sufficient amount to cover the negative balance; (v) collect any amount due or which may become due to us from any of your bank accounts without notice to you; and (vi) pursue any other remedies we may have at law or in equity. Furthermore, if the amount represented by your Transaction Data in any day is negative due to refunds/credits being submitted by you in excess of your proceeds from Transaction Data, you shall provide us with sufficient funds prior to the submission of the Transaction Data so as to prevent the occurrence of a negative balance.

4.6 Delinquency/Merchant Fraud. At any time and from time to time we may temporarily suspend or delay payments to you and/or designate an amount of funds that we must maintain in order to protect us against the risk of, among other things, existing, potential, or anticipated Chargebacks and to satisfy your other obligations under this Agreement (such funds being hereinafter referred to as the "Reserve Account"), which may be funded in the same manner as provided for negative balances in Section 4.5. The Reserve Account will contain sufficient funds to cover any unbilled processing costs plus our estimated exposure based on reasonable criteria for Chargebacks, returns, unshipped merchandise, and/or unfulfilled services and all additional liabilities anticipated under this Agreement. We may (but are not required to) apply funds in the Reserve Account toward, and set off any funds that would otherwise be payable to you, the satisfaction of any amounts which are or become due from you pursuant to this Agreement. The Reserve Account will be held and controlled by FDMS, will not bear interest, and you will have no legal right or interest in the funds in the Reserve Account; provided, however, that upon satisfaction of all of your obligations under this Agreement, we will pay to you any funds then remaining in the Reserve Account. Any funds in the Reserve Account may be commingled with other funds, and need not be maintained in a separate account. Effective upon our establishment of a Reserve Account, you irrevocably grant to us a security interest in any interest you may now have or later acquire in any and all funds, together with the proceeds thereof, that may at any time be in our possession and would otherwise be payable to you pursuant to the terms of this Agreement. You agree to execute and deliver to us such instruments and documents (including, without limitation, security agreements and releases) that we may reasonably request (i) to perfect and confirm the security interest and right of setoff set forth in this Agreement; and (ii) in connection with any return of Reserve Account funds.

5. Accounting. We will supply a detailed statement reflecting the activity for your merchant account(s) by on-line access (or otherwise if we agree). We will not be responsible for any error that you do not bring to our attention within 90 days from the date of such statement.

6. Retrieval Requests.

6.1 Records. You agree to store original documentation or legible copies of each Transaction for at least 18 months from the date of such Transaction. You may not charge a fee to your Customers for the creation or storage of such copies. We may, at our discretion, require you to deliver copies of Transaction Data to us rather than storing it.

6.2 Response to Retrieval Requests. We will send you any Retrieval Request that we cannot satisfy with the information we have on file concerning any Payment Transaction. In response, you must provide us in writing by certified or overnight mail or by confirmed fax (or by other means as agreed to by FDMS) the resolution of your investigation of such Retrieval Request and include legible copies of any documentation required by the Retrieval Request within 7 business days after we send it to you (or such shorter time as the Payment Brand Rules may require). You acknowledge that your failure to fulfill a Retrieval Request in accordance with Payment Brand Rules may result in an irreversible Chargeback.

7. Chargebacks.

7.1 Chargeback Reasons. You may receive a Chargeback from a Customer or a Payment Brand for a number of reasons under the Payment Brand Rules. The following are some of the most common reasons for Chargebacks, and in no way is this intended to be an exhaustive list of possible Chargeback reasons:

- 1) Your failure to issue a refund to a Customer upon the return or non-delivery of goods or services.
- 2) A required authorization/approval code was not obtained.
- 3) The Transaction Data was prepared incorrectly or fraudulently.
- 4) We did not receive your response to a Retrieval Request within 7 business days or any shorter time period required by the Payment Brand Rules.
- 5) The Customer disputes the Transaction or the signature on the Transaction Data, or claims that the Transaction is subject to a set-off, defense, or counterclaim.
- 6) The Customer refuses to make payment for a Transaction because, in the Customer's good faith opinion, a claim or complaint has not been resolved, or has been resolved by you in an unsatisfactory manner.
- 7) The credit or debit card comprising the Payment Instrument was not actually presented at the time of the Payment Transaction or you failed to obtain an electronic record or physical imprint of such Payment Instrument, and the Customer denies making the purchase. The Merchant acknowledges that, under these circumstances, the fact that an authorization/approval code was obtained does not mean that a particular Transaction is a valid or undisputed transaction entered into by the actual Customer.

7.2 Excessive Chargebacks. If you are receiving an excessive amount of Chargebacks, as determined by the Payment Brands from time to time, in addition to our other remedies under this Agreement we may take the following actions: (i) review your internal procedures relating to acceptance of Payment Instruments and notify you of new procedures you could adopt in order to avoid future Chargebacks; (ii) notify you of a new rate we will charge you to process your Chargebacks; (iii) collect from you (pursuant to Section 4.6) an amount reasonably determined by us to be sufficient to cover anticipated Chargebacks and all related fees, expenses, and fines; or (iv) terminate the Agreement with written notice of termination. You also agree to pay any and all Payment Brand fees and fines assessed against you or against FDMS or Member relating to your violation of this Agreement, the Operating Guide, or the Payment Brand Rules with respect to your acceptance of Payment Instruments, your Transaction Data or with respect to excessive Chargebacks under this Section.

7.3 Claims of Customers. You have full liability if any Transaction Data for which we have given the Settlement Account provisional credit is the subject of a Chargeback. Subsequently, you may resubmit applicable Transaction Data for a second presentment, but only in accordance with Payment Brand Rules. To the extent that we have paid or may be called upon to pay a Chargeback, refund or adjustment for or on the account of a Customer and you do not reimburse us as provided in this Agreement, then for the purpose of our obtaining reimbursement of such sums paid or anticipated to be paid, we have all of the rights and remedies of such Customer under applicable federal, state, or local laws and you authorize us to assert any and all such claims in our own name for and on behalf of any such Customer individually or all such Customers as a class.

8. Display of Payment Brand Marks. Merchant is prohibited from using the Payment Brand Marks, as defined below, other than as expressly authorized by us in writing or by the Payment Brands. Payment Brand Marks mean the brands, emblems, trademarks and/or logos that identify a Payment Brand. Additionally, Merchant shall not use the Payment Brand Marks other than to display decals, signage, advertising and other forms depicting the Payment Brand Marks that are provided to Merchant (i) by the Payment Brands; (ii) by us pursuant to this Agreement; or (iii) as otherwise approved in writing by us. Merchant may use the Payment Brand Marks only to promote the services covered by the Marks by using them on decals, indoor and outdoor signs, advertising materials and marketing materials; provided that all such uses by Merchant must be in writing and approved by us and consistent with Payment Brand Rules. Merchant shall not use the Payment Brand Marks in such a way that customers could believe that the products or services offered by Merchant are sponsored or guaranteed by the owners of the Marks. Merchant recognizes that it has no ownership rights in the Payment Brand Marks. Merchant shall not assign to any third party the rights to use the Payment Brand Marks. Merchant's sublicense to use the Payment Brand Marks hereunder terminates simultaneously with the termination of the Agreement.

9. Fees.

9.1 Schedule A. You agree to pay us for the services as set forth in Schedule A in accordance with this Agreement. Unless otherwise expressly stated in Schedule A, such pricing is based on all Transactions qualifying under the Payment Brand Rules for the lowest Payment Brand interchange rates. For Transactions that do not qualify for the best rate, Payment Brands may provide for a "downgrade," and we will apply a higher rate than the qualifying rate shown on Schedule A. Fees payable under this Agreement that contain a fraction of a cent will be rounded up to the next full cent.

9.2 Price Changes. We may modify the pricing on Schedule A with 30 days' prior written notice. In addition, we may change our fees, charges, and discounts resulting from (i) changes in Payment Brand fees (such as interchange, assessments, and other charges); (ii) changes in pricing by any third party provider of a product or service used by you; or (iii) fees which are added by a Payment Brand. Such new prices will be applicable to you as of the effective date established by the Payment Brand or third party provider.

10. Termination.

10.1 Term. The initial term of this Agreement shall commence upon our acceptance hereof (as evidenced by our acceptance of your first Transaction for processing hereunder, and shall continue until either (i) terminated by you by giving at least 30 days' prior written notice to us or (ii) terminated by us by giving notice to you (such termination by us to be effective as of a date set forth in such notice, or, if no such date is set forth, to be effective as of the date such notice is received by you). IF YOU TERMINATE THE AGREEMENT WITHIN THE FIRST 3 YEARS FOLLOWING THE DATE OF YOUR EXECUTION OF THIS AGREEMENT (THE "PAYBACK PERIOD"), YOU AGREE TO PAY DE-CONVERSION FEES OF (I) TWO HUNDRED FIFTY DOLLARS (\$250.00) FOR EACH MERCHANT LOCATION and (II) AN AMOUNT EQUAL TO THE STORED VALUE TRANSACTION FEES INCURRED BY YOU DURING THE CALENDAR MONTH IMMEDIATELY PRECEDING TERMINATION, MULTIPLIED BY THE NUMBER OF MONTHS REMAINING IN THE PAYBACK PERIOD. IN THE EVENT THE PAYMENT OF SUCH DE-CONVERSION FEES IS LIMITED BY APPLICABLE LAW, THE AMOUNT PAYABLE TO US PURSUANT TO THIS SECTION SHALL BE LIMITED TO THE MAXIMUM AMOUNT PERMITTED UNDER APPLICABLE LAW. SUCH AMOUNTS WILL BE FUNDED, TO THE EXTENT POSSIBLE, ACCORDING TO THE SAME METHODS FOR COLLECTING AMOUNTS DUE UNDER THIS AGREEMENT. We reserve the right to place you or any person owning or controlling your business in the MATCH file (Member Alert to Control High-Risk Merchants) maintained by Visa and MasterCard in the event this Agreement is terminated for cause.

10.2 Account Activity After Termination. Termination does not affect either party's respective rights and obligations under this Agreement as to Transaction Data submitted before termination. If you submit Transaction Data to us after the date of termination, we may, at our sole discretion and without waiving any of our rights or remedies under this Agreement, process such Transaction Data in accordance with all of the terms of this Agreement. Upon notice of any termination of this Agreement, we may estimate the aggregate dollar amount of Chargebacks and other obligations, liabilities, and expenses that we reasonably anticipate subsequent to termination, and you agree to immediately deposit such amount in your Settlement Account or as otherwise directed by us, or we may withhold such amount from your settlement funds, in order to establish a Reserve Account pursuant to and governed by the terms and conditions of this Agreement.

11. Indemnity. The indemnification provided for in this Section does not apply to any claim or complaint to the extent it is caused by FDMS' own negligence or willful misconduct. The indemnity provided under this Section 11 shall survive the termination of this Agreement.

12. No Disclosure of Customer Information. You will exercise reasonable care to prevent disclosure or use of Payment Instrument Information, other than (i) to your agents and contractors for the purpose of assisting you in completing a Payment Transaction, (ii) to the applicable Payment Brand, or (iii) as specifically required by law.

If at any time you determine that Payment Instrument Information has been compromised you will notify FDMS immediately and assist in providing notification to such parties as may be required by law, by Payment Brand Rules, or as we otherwise reasonably deem necessary. Merchant information may be shared by us with our affiliates and with the Payment Brands subject to the provisions of this Agreement and Payment Brand Rules.

You agree to comply with all data security standards, guidelines and requirements that may be published from time to time by any Payment Brand, including, without limitation, the Payment Card Industry Data Security Standards (collectively, the "Security Guidelines"). You agree to exercise reasonable due diligence to ensure that all of your Service Providers, and any other agents, business partners, contractors, or subcontractors with access to Payment Instrument Information, maintain compliance with the Security Guidelines. To the extent required by each Payment Brand, all payment applications, or software involved in the processing, storing, receiving or transmittal of Payment Instrument Information, shall be (i) compliant with all Security Guidelines applicable to such payment applications or software, and (ii) registered with and/or recognized by such Payment Brand(s) as being so compliant. You understand that your failure to comply with the Payment Brand Rules, including the Security Guidelines, or the compromise of any Payment Instrument Information, may result in assessments, fines, and/or penalties by the Payment Brands, and you agree to indemnify and reimburse us immediately for any such assessment, fine, or penalty imposed on us or the Member and any related loss, cost or expense incurred by us or the Member. If any Payment Brand requires a forensic examination of you or any of your Service Providers, agents, business partners, contractors, or subcontractors due to a data security compromise event or suspected event, you agree to cooperate with such forensic examination (including, without limitation, the engagement of an examiner acceptable to the relevant Payment Brand) and agree to pay for all costs and expenses related to such forensic examination, including all of our attorneys' fees and other costs relating to such forensic examination.

PERSONAL GUARANTY

To induce FDMS to enter into the foregoing Agreement (as the same may hereafter be renewed, modified, extended, or amended, the "Agreement"), and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the guarantors named on the cover page of the Agreement (each a "Guarantor" and collectively, the "Guarantors") jointly and severally, irrevocably, and unconditionally guarantee to First Data Merchant Services Corporation ("FDMS") and its successors and assigns the due and punctual payment of the "Indebtedness" (hereinafter defined). As used herein, the term "Indebtedness" means all indebtedness, obligations, and liabilities of the merchant identified on the cover page of the Agreement ("Merchant") to FDMS at any time created or arising, including, without limitation, to all indebtedness, obligations, and liabilities of Merchant arising under the Agreement.

This Personal Guaranty is a guaranty of payment and not a guaranty of collection. Each Guarantor agrees that he or she is liable for the Indebtedness as primary obligor. FDMS may proceed against one or more Guarantors whether or not FDMS proceeds against Merchant, any other obligors, or any collateral securing the Indebtedness. This Personal Guaranty may not be revoked by any Guarantor and shall continue to be effective with respect to any Indebtedness arising or created after any attempted revocation.

Each Guarantor acknowledges that he or she will benefit from the services and financial accommodation provided by FDMS to Merchant's business. Each Guarantor is familiar with, and has independently reviewed books and records regarding, the financial condition of Merchant and is familiar with the value of any and all collateral intended to be created as security for the payment of the Indebtedness. However, no Guarantor is relying on such financial condition or collateral, including, without limitation, the Merchant's Reserve Account (as defined in Section 4.6 of the Agreement) if any, as an inducement to enter into this Personal Guaranty.

The obligations of each Guarantor hereunder shall be enforceable irrespective of the validity, legality, or enforceability of Merchant's obligations (including without limitation, the expiration of any applicable limitations period) and shall not in any way be affected by or conditional upon (i) any action taken under the Agreement or the exercise of any right or power thereby conferred; (ii) the bankruptcy or similar proceedings involving or affecting Merchant; (iii) any assignment, modification, alteration, or amendment of, or addition to, the Agreement whether with or without such Guarantor's knowledge or consent; (iv) any renewal, extension, increase, modification, alteration or rearrangement of all or any part of the Indebtedness; (v) any adjustment, indulgence, forbearance, or compromise that might be granted by FDMS to Merchant or any Guarantor; or (vi) any other action, inaction, or circumstance whatsoever (with or without notice to or knowledge of or consent by such Guarantor) that may in any manner vary the risks of such Guarantor or might otherwise constitute a legal or equitable defense or discharge of any surety or guarantor. The Guarantor hereby waives all defenses based on occurrences of the types described in clauses (i) through (vi) above.

Guarantors authorize FDMS, from time to time, without notice or demand and without affecting their liability hereunder, to (i) renew, compromise, extend, accelerate, or otherwise change the time for payment of, or otherwise change the terms of, the Indebtedness or the Agreement; (ii) take and hold security for the payment of the Indebtedness or this Personal Guaranty, and exchange, enforce, waive, and release any such security, or take additional security; (iii) apply such security or the proceeds thereof in such order or manner as FDMS, in its discretion, may determine; (iv) release, in whole or in part, Merchant or any Guarantor from liability for the payment of the Guaranteed Debt; (v) substitute any one or more of the Guarantors or acquire additional guarantors; and (vi) to obtain and review such information (including without limitation, the reports of any consumer credit bureau) as FDMS may deem necessary to confirm Guarantors' creditworthiness.

Guarantors hereby waive notice of (i) the incurrence by Merchant of any Indebtedness; (ii) acceptance of this Personal Guaranty Agreement; (iii) any renewal, modification, extension, or amendment of the Agreement or of any other instrument or document pertaining to all or any part of the Indebtedness; (iv) the occurrence of any breach or default under the Agreement; (v) FDMS' transfer or disposition of the Indebtedness, or any part thereof; (vi) sale or foreclosure (or posting or advertising for sale or foreclosure) of any collateral for the Indebtedness; (vii) protest, proof of non-payment, or default by Merchant; and (viii) any other action at any time taken or omitted by FDMS. Guarantors hereby waive all presentment demands for performance or payment, protests, notices of protest, nonperformance, dishonor, default and non-payment, and all other notices or formalities.

This Personal Guaranty shall be binding on, and inure to the benefit of, the parties hereto and their respective heirs, administrators, legal representatives, successors, and assigns. Guarantors may not, without the prior written consent of FDMS, assign any of their rights, powers, duties, or obligations hereunder. Guarantors jointly and severally agree to pay reasonable attorneys' fees and all other costs and expenses which may be incurred by FDMS in the enforcement of this Personal Guaranty. FDMS' rights hereunder shall be cumulative of any and all other rights that FDMS may have against Guarantors.

MERCHANT OPERATING GUIDE
GENERAL RULES APPLICABLE TO ALL TRANSACTIONS

1. ACCEPTANCE OF CERTAIN PAYMENT INSTRUMENTS

In offering Visa and MasterCard payment options to your Customers, you may elect any one of the following options: (i) accept all types of Visa and MasterCard Payment Instruments – including consumer credit and debit/check cards, and commercial credit and debit/check cards; (ii) accept only Visa and MasterCard credit cards and commercial cards (if you choose this option you must accept all consumer credit cards (but not consumer debit/check cards) and all commercial card products, including business debit/check cards; or (iii) accept only Visa and MasterCard consumer debit/check cards (if you choose this option you must accept all consumer debit/check card products (but not business debit/check cards) and will not accept any kind of credit cards). The acceptance options above apply only to U.S. domestic Visa and MasterCard Payment Transactions and, as such, they do not apply to Visa or MasterCard Payment Instruments issued by non-U.S. banks. In other words, if your Customer presents a Visa or MasterCard Payment Instrument issued from a European or Asian bank, for example, you must accept that card just as you would any other card (provided you receive a valid authorization and confirm the identity of the Customer, etc.), regardless of the acceptance option choice you have made and even if you have elected not to accept that type of Payment Instrument from U.S. issuers. If you choose to limit the types of Visa and MasterCard Payment Instruments you accept, the following rules apply to you: (i) you must display appropriate signage to indicate acceptance of the limited acceptance category you have selected (that is, accept only debit/check card products or only credit and commercial products; (ii) if you elect limited acceptance, any Transaction Data submitted into interchange outside of the selected product category will be assessed the standard interchange fee applicable to that card product and may also have additional fees/surcharges assessed; and (iii) additional Visa and MasterCard Rules that may be applicable to you may be viewed on their respective websites.

2. AUTHORIZATION/APPROVAL CODES

All Payment Transactions and Conveyed Transactions require authorization/approval codes. You must request and receive an authorization/approval code for the total amount of the Transaction. An authorization/approval code indicates (i) the availability of credit on the Payment Instrument at the time of inquiry, and (ii) that the Payment Instrument account number is valid. It is not a promise or a guarantee that you will receive payment for that transaction. It does not warrant that the person presenting the Payment Instrument has the authority to do so.

3. REFUNDS/CREDITS

You must disclose your return/refund policy to your Customers. You must complete a credit for the total amount of the refund and identify the merchandise being returned and any shipping and handling charges being returned. You must imprint or record the credit voucher with the same Payment Instrument used to make the original purchase. For retail Payment Transactions and Conveyed Transactions, the credit voucher must be dated and signed by the Customer and the appropriate copy provided to the Customer. Cash refunds should never be issued for Payment Transactions or Conveyed Transactions, unless required by law. If you fail to follow these procedures, you may be unable to rebut a Chargeback from the Customer for failure to issue a refund (even if you actually gave the refund by cash or check). Paperwork is not necessary for an even exchange. For an uneven exchange, complete a credit for the total amount of the merchandise being returned and complete a new Transaction receipt for any new merchandise purchased. You cannot process a credit or refund without having completed a previous purchase Transaction with the same Customer.

4. PROCESSING OF TRANSACTION DATA

You must submit Transaction Data (including credit vouchers) to us on or before the next business day after the date of the Transaction. Late submission of Transaction Data may result in higher Payment Brand fees and interchange rates, Chargebacks and other negative consequences. You must not submit Payment Transactions or Conveyed Transactions for payment until the goods are delivered, shipped, or the services are performed (except as otherwise provided in the Merchant Agreement, and only if you have notified us that you are doing so on your application or otherwise in writing). If the Customer disputes being charged for merchandise or services before receiving them, the result will be a Chargeback to you. We may from time to time contact Customers to verify that they have received goods or services for which Transactions have been submitted. You cannot present for processing any Transaction Data that was not originated as a result of an act directly between the Customer and you. You cannot present for processing any Transaction Data you know or should have known to be (i) fraudulent or (ii) not authorized by the Customer. You will be responsible for the actions of your employees while acting in your employ. The collection and payment of all federal, state and local taxes is your responsibility. Taxes collected must be included in the total transaction amount and not collected separately by another form of payment. You must submit one Transaction Data record for all goods and services sold in the same transaction. All available information about the sale, including any handling and shipping charges, must be accurately recorded. You must provide to the Customer a true and completed record of the Transaction.

5. CHARGEBACKS

Chargebacks of Payment Transactions and Conveyed Transactions may occur under a variety of circumstances, as dictated by the Payment Brand Rules, which are subject to modification from time to time. Consequently, the following is only a partial list of circumstances that might give rise to Chargebacks: (i) a Customer account number is incorrect or otherwise invalid; (ii) an authorization/approval code was not received or other required authorization was not obtained; (iii) an authorization/approval code was obtained for the wrong amount or wrong date; (iv) the Customer never received the merchandise/service requested; (v) a Customer's refund/credit was processed as a sale; (vi) the Transaction Data is for the wrong amount; (vii) a Customer was never credited for returned merchandise or a canceled order; (viii) the Payment Instrument was expired, counterfeit, altered, or invalid at time of sale; (ix) a Payment Transaction or Conveyed Transaction was deposited more than once; (x) the Customer did not authorize or consent to the Transaction; (xi) the signature on the Transaction receipt does not match the signature on the Payment Instrument (if required); (xii) the Payment Instrument was not imprinted or its magnetic strip was not electronically recorded (for example, "swiping" or "tapping" a Payment Instrument) through a terminal; (xiii) the Customer asserts any disputes, claim, counterclaim, defense or offset against you; (xiv) the Transaction Data or any material information thereon is illegible, incomplete, inaccurate or unsigned, or is not delivered to us within the required time limits; (xv) the Transaction Data is fraudulent or does not represent a bona fide transaction in the ordinary course of your business, or is subject to any claim of illegality, negligence, dishonesty or offset; and (xvi) you have failed to provide copies of Transaction Data requested by us (retrieval request) within the prescribed time period.

6. DISPUTING CHARGEBACKS

If you have reason to dispute or respond to a Chargeback, then you must do so by the date provided by us on our report to you. We are not required to investigate, reverse or make any adjustment to any Chargeback when thirty (30) calendar days have elapsed from the date of the Chargeback. All responses to Chargebacks must be in writing, and must contain the following information: (i) date of debit/credit advice; (ii) company case number; (iii) total amount of Chargeback; (iv) date and dollar amount for which the Transaction Data was originally submitted (v) if known, the date and authorization approval code; and (vi) any supporting documentation to substantiate your claim. You should include a dated cover letter detailing reasons for requesting a review of the Chargeback. You should retain a copy of the correspondence and all documentation for your files. You should also retain proof that we received your response.

7. DATA SECURITY AND PRIVACY

You agree to post and maintain on all your Web sites both your consumer data privacy policy (which must comply with all Payment Brand Rules, regulations and guidelines) and your method of transaction security. You may not retain or store CVV2/CVC2 data or PIN data subsequent to the authorization. You must comply with all Security Standards published by the Payment Brands and the PCISSC including, but not limited to, Visa's Customer Information Security Program ("CISP), MasterCard's Security Data Program (MSDP) and the Payment Card Industry Data Security Standard (PCIDSS). SPECIALIZED RULES FOR RETAIL TRANSACTIONS

1. PRESENTATION OF PAYMENT INSTRUMENTS

You or your employee must examine each Payment Instrument presented to determine that the Payment Instrument presented is valid and has not expired. You must exercise reasonable diligence to determine that the authorized signature on any Payment Instrument presented corresponds to the Customer's signature on the Transaction Data. You must not honor expired, invalid, altered, counterfeit, or revoked Payment Instruments nor any Payment Instrument presented by any person other than the proper Customer as evidenced by the authorized signature on the Payment Instrument. A Customer may authorize another person to use his or her Payment Instrument for purchases, provided the user's signature appears on the back of the Payment Instrument. The signature on the back must match the one on the Transaction Data. If the Payment Instrument is not signed, in addition to requesting an authorization, you may review positive identification as allowed by local and state law, such as a passport or driver's license, to confirm that the user is the Customer, record the information and require the Customer to sign the signature panel of the Payment Instrument prior to completing the Transaction. You should not complete a Transaction if the Customer does not present his or her Payment Instrument or if you cannot obtain an electronic swipe record or physical imprint of the Payment Instrument (this includes mail, telephone and internet orders). By the submission of any Transaction Data to us, you will be deemed to warrant the identity of the purchaser as the authorized holder of the Payment Instrument, and if the Customer later denies making the purchase, you will not be able to rebut the Chargeback.

2. COMPLETION OF TRANSACTIONS

You must use a suitable imprinter to legibly imprint Payment Instruments on Transaction Data or, capture the information from the Payment Instrument by electronic data capture. A photocopy of the Payment Instrument is not an acceptable substitute for an imprint. If the account number is manually keyed into the terminal, you must imprint the Payment Instrument. Your name, location, city and state must match the Merchant plate on the imprinter. You must notify us of any changes to the information on the Merchant plate. In addition to having the Customer sign the Transaction receipt, the Transaction date and dollar amounts and other information must be clearly written or printed on the Transaction receipt or captured by an electronic device. A brief description of the goods sold or service rendered must be provided on the Transaction receipt. Authorization/approval code numbers must be clearly recorded in the appropriate place on the Transaction receipt. Never circle or underline any information on the Transaction receipt. Every Transaction Receipt and credit voucher must be imprinted (or printed from electronic draft capture equipment) with the Customer's truncated account number and Merchant name. You will give the Customer a true and completed copy of the Transaction Receipt or appropriate facsimile. If the Customer's copy of the Transaction receipt or credit voucher is printed from electronic draft capture equipment/terminal, it must comply with all applicable Payment Brand Rules and laws. You cannot require Customers to provide any personal information as a condition for honoring Payment Instruments unless otherwise required by the Payment Brand Rules or law. Personal information includes, but is not limited to, a home or business telephone number, a home or business address, a social security number, or a photocopy of a driver's license. You cannot retain or store full magnetic-stripe data, CVV2, CVC2 codes or PIN data after the authorization of a Payment Transaction or Conveyed Transaction, except as required to complete the transmission of such Transaction Data to us.

3. FORGERIES/COUNTERFEIT PAYMENT INSTRUMENTS

You should examine all notices received from us or from a Payment Brand to help you determine whether a Payment Instrument presented is counterfeit. You should attempt to retain the Payment Instrument while making an authorization request and then match any signature on the Payment Instrument with the one on the Transaction receipt. You should compare the account number on the Payment Instrument to the account number printed on the receipt or displayed on the terminal. You should examine each Payment Instrument to see if it looks genuine. You should use reasonable, peaceful efforts to recover any Payment Instrument if you have reasonable grounds to believe such Payment Instrument is counterfeit, fraudulent or stolen. You will be solely responsible for your actions in recovering/retaining Payment Instruments.

4. TRAVEL AND ENTERTAINMENT SERVICES

At your option and as specified in the applicable sections of the Payment Brand Rules, Merchants may participate in one or more specialized travel & entertainment services offered by any of the Payment Brands. Merchants offering travel and entertainment services must institute and comply with the procedures set forth in the Payment Brand Rules.

SPECIALIZED RULES FOR MAIL ORDER, TELEPHONE ORDER, AND INTERNET TRANSACTIONS

1. COMPLETION OF SALE

You are responsible for determining that the purchaser is the person whose name appears as the Customer. If an account number is transposed into an invalid or inaccurate account number, the sale will result in a Chargeback. You must be authorized by us to accept Payment Instruments for mail, telephone, internet and pre-authorized orders, and you must have noted such on your application to us. All information that would normally be imprinted from a Payment Instrument must be clearly written in the appropriate areas on the order or Transaction receipt. "Mail Order" or "Phone Order" should be written on the signature line of the Transaction receipt.

2. RECURRING TRANSACTIONS

For recurring transactions, you must obtain a written request from the Customer for the goods and services to be charged to the Customer's account, specifying the frequency of the recurring charge and the duration of time during which such charges may be made. You will not complete any recurring transaction after receiving: (i) a cancellation notice from the Customer (ii) notice from FDMS or any Payment Brand that the Payment Instrument is not to be honored; or (iii) an authorization/approval code that the Payment Instrument is not to be honored. You must include in your Transaction Data the electronic indicator that the transaction is a recurring transaction.

SPECIALIZED RULES FOR STORED VALUE TRANSACTIONS

1. PAYMENT INSTRUMENTS & PACKAGING

You may be obligated to purchase Stored Value Payment Transaction Payment Instruments ("Gift Cards) from us or pay us a data transfer fee in lieu thereof. Please check the pricing schedule of your Merchant Agreement to see if these requirements apply to you. If you are obligated to purchase Gift Cards from us or if you elect to do so, we will arrange for the Gift Card production and may, at our option, invoice you therefore, in lieu of electronically debiting your account. Any such invoice will be payable upon receipt. Gift Cards, Packaging and Point-of-purchase marketing materials are available and priced on a per bundle basis, based on current rates. All production and delivery timeframes and costs provided by us are estimates only and we do not guarantee any specific date of delivery or price for Gift Cards produced by third parties. You are responsible for all production costs and delivery charges for Gift Cards. The form and content of all Gift Cards will be subject to our approval.

2. COMPLIANCE AND WARRANTIES

You are solely responsible for complying with all applicable laws relating to your Gift Card program and you agree to indemnify and hold us harmless from any loss, damage or claim relating to or arising out of any failure to comply with applicable laws in connection therewith. You are solely responsible for monitoring the legal developments applicable to the operation of your Gift Card program and ensuring that your Gift Card program complies fully with such requirements as in effect from time to time. Merchant acknowledges that FDMS cannot reasonably be expected to monitor and interpret the laws applicable to its merchants, and has no responsibility to monitor or interpret laws applicable to Merchant's business.

3. FRAUD

You hereby agree (i) that you are responsible for ensuring that all Gift Cards require activation at the point of sale; (ii) to provide notification in writing to FDMS of any fraud losses by type by fifteen days following the end of each calendar quarter; (iii) that you will be solely responsible for any and all value adding and fraud losses and expenses relating to or arising from your Gift Card; (iv) to discourage transportation of groups of sequentially numbered Gift Cards; and (v) to deactivate or otherwise remove all value from Gift Cards that have been compromised. You will be responsible for any fraudulent transactions involving your Gift Cards, including, without limitation, the unauthorized activation of Gift Cards, reloading of existing Gift Cards (whether pursuant to a manual telephone order or otherwise) with additional value, or the unauthorized replication of Gift Cards or Gift Card data for fraudulent transactions. FDMS provides a number of tools and options to help Merchant reduce Merchant's risk of exposure for fraudulent transactions. We urge you to make use of any and all of such tools as we may offer in order to help reduce the risk of such transactions. In particular, we recommend that you utilize only those vendors that have been certified by FDMS as having appropriate security measures in place to reduce the risk of counterfeit Gift Cards and the loss of sensitive Gift Card information that might result in unauthorized transactions, and, we recommend that you promptly and frequently reconcile the transaction reports we provide to you against your own internal transaction records, and to report any unauthorized transactions to your account representative at FDMS. Because manual Gift Card transactions (i.e. those involving the activation or reloading of Payment Instruments over the telephone in cases where your terminals may be unavailable) pose a higher risk of potential fraud, we urge you to pay special attention to these transactions and reconcile them on an even more frequent basis. In the event that you do not reconcile your transaction reports and promptly report any suspicious activity to us, FDMS may not be able to assist you in canceling fraudulently activated or reloaded Gift Cards, or in otherwise identifying the source of any fraud.
